Welcome to the Guam Public Library Systems' 2012 Summer Reading Club!

GPLS will once again be partnering up with Antwerp Sunshine Library in Michigan and the theme this year is... DREAM BIG READ!

The Summer Reading Club is a special time during summer vacation (7 weeks) for children 0-12 years old to have fun reading and participating in activities that ignite imaginations and foster learning.

The Library's goal is for participants to collectively read a total of 10,000 books over the summer. Readers will set a personal goal based on the types of books they like to read.

All Participants must be registered members at the Library! Everyone who registers, receives a book log each week to Track the number of books they read and the number of visits to the Library.

At the end of the program, a *special prize* will be given to the club member who reads the **MOST** books and **MOST** number of times you visited the library.

Be sure to do the following:

Registration Forms can be picked up and submitted at any of our branch locations (listed on back of brochure), Bookmobile, or on our website at <http://gpls.guam.gov>
